

Don't miss out on this fantastic opportunity.

You know how special life is along California's Central Coast. And now you can acquire a home there.

On April 21st, Trilogy Central Coast will unveil two new model homes. Elegantly designed for flexible living, these models can expand from two to four bedrooms to fit your lifestyle. So, whether you're looking for a new place to celebrate your family's joys or a retreat from the hurries and worries of everyday life, join us on Saturday, April 21st, from 11:00 a.m. to 3:00 p.m., for the Grand Opening of our two newest model homes.

But only a few of these homes are available. So don't put the visit off, or you'll miss an opportunity that may never again come your way.

RSVP by April 14th. Call 1-888-232-9030 to save your place — and a chance to make California's Central Coast a special place in your life.

Welcome to 21st Century Living

One of the biggest thrills in purchasing a new house is that everything – from the kitchen appliances to the bathroom faucets – is the latest, most up to date version. Trilogy at Rio Vista takes that excitement one step further with our newest tech package offerings. These packages showcase the hottest innovations in home technology components from entertainment systems to centralized remote controls. And we're offering them all – this weekend only – at a special savings.

Live the Future Today

Imagine entering your home and with the click of a few buttons, you quickly turn on the lights and other electronics you want. Now imagine having friends over to watch the latest DVD release on your very own home theatre featuring the most advanced electronics – all you have to add is the popcorn! Finally, imagine going to bed at night knowing that your home is safe and protected with the latest security systems in place, including video monitoring. Now that's life in the 21st Century.

Special Introductory Pricing

You can learn about – and save money on – these home innovations and more at Trilogy at Rio Vista's Tech Studio Grand Opening May 19 and 20 from noon to 4:00 pm. Whether you find technology a little overwhelming or totally fascinating, this is a don't miss event. Our tech expert will be on hand to walk you through the available options step by step so you can experience firsthand how simple these packages are to use and how much they can enhance your Trilogy life. But while these packages will continue to be available – the special pricing is limited, so reserve your spot today.

Let Us Know You're Coming

Be sure to **RSVP at 800-685-6494**, so our Community Representatives can better serve you. The first 20 guests to make an appointment and attend will also receive a special gift. And if you can't make the event May 19 or 20, you can call to set up a one-on-one demonstration appointment at our Tech Studio. Isn't it about time you moved into the 21st Century?
