We want you back.

And we guarantee you'll love us...

You spend your life on the go – and maybe the newspaper just didn't seem to fit.

After all, business takes up a lot of your day. And when you're not working, you're spending time expanding your view of the world around you. Let *The Courier* be your guide.

To begin with, *The Courier* covers the Cedar Valley and Northeast Iowa better than a blanket of snow in January.

But your world – and ours – don't stop there. *The Courier* offers up nationally syndicated pundits like *Amy Goodman* who provide perspectives on national politics, pertinent financial advice from *Malcolm Berko* and local guest columnists with their views of Iowa and beyond. It's all bundled in an easy-to-read package, and delivered right to your home.
